

Undoubtedly, the fastest growing municipality in Leeds Grenville, North Grenville offers great promise for economic development. The municipality is strategically located 20 minutes from Ottawa, the international airport and the U.S. border at Johnstown. This vibrant community houses a unique blend of rural and small-town culture with a population of 16,451 people enjoying the benefits of quality lifestyle, natural heritage, essential services, positive growth and more.

North Grenville is a 'Green and Growing' community, offering a variety of residential and commercial development with serviced land abutting Highway 416. The municipality has commercial properties in Kemptville's downtown core that are ideal for green, clean and creative businesses. North Grenville is home to Kemptville Campus and the Ferguson Forestry Centre. The community also boasts two of the highest-achieving schools in Ontario, an expanding Kemptville District Hospital with a growing number of physicians, quality recreational facilities and a new library. A major 300,000-square-foot retail development called The Kemptville Colonnade is on County Road 43 with Wal-Mart, Staples and Scotiabank, to name a few.
